## HFIIO

## EDUCATION

I am very interested in starting a career in UI/UX, Software Development, or a related field. I'm capable of bringing a fresh, charismatic, well spoken, & entrepreneurial accent to the conversation. I am quite eager to learn in front end, back end, and full stack environments.

University of Hawai'i

BBA Management Information Systems | May 2016 – June 2019

Spanish Minor | Division 1 Student-Athlete | 3 year Team Captain

RELEVANT COURSEWORK & SKILLS

LINKS

Programming Application Systems, Information Systems Analysis and Design, Database Systems, Networking and Security, Calculus I, Java, C, PHP, Netbeans, SQL, HTML, CSS, Adobe Spark, Adobe XD, Framer X, Proto.io, Atom
